

ER246 Trades – Team Leader

- South Side
- Values driven
- Dynamic Team

Having a solid well respected history in the Brisbane market; with a fantastic operational team to support and develop their people this company has an edge by delivering on best practices in the market place. Due to continued growth they require the skills and experience of a specialist Team Leader to engage influence and encourage a small team of Trades Consultants located at Eight Mile Plains.

Reporting to the Business Manager for Trades, you will be seen as the expert in your sector, candidates will come to you for advice and you will deliver on expectations; this is an opportunity to be part of a leading agency in Qld. Your background and reputation will be far reaching; it will be one of quality and based on experience, you will be innovative and forward thinking and able to speak with ease on your sector.

If you are quality focused, enjoying leading by example, have a background in Trades Recruitment, this will be a journey that you will want to be a part of. On offer is a marketable salary plus commission based on personal and team performances, to complete the picture.

In this competitive marketplace, how do you know you're making the right decision? Let us take the work out of deciding and give you the information to make an educated decision about your next role.
