

ER261 - Govt. Policy & Strategy Recruitment Consultant (S&M) – Brisbane CBD

Our client has a solid reputation nationally for their delivery to the market and the training of their employees, they are a group of individuals who are enthusiastic and take an interest in people and their careers, both internal and external to the business.

Believing that to have a successful business you need a talented happy team, our client is dedicated to developing their staff professionally and consider that individual contribution is vital to achieving their collective goals. Every staff member is treated as an integral part of the larger team.

They currently require an experienced Recruitment Consultant to work a Government PSA desk. This desk was established 6 months ago and currently bills \$20k per month in temp revenue; however there will be opportunities to make perm placements. Working across all government departments you will build on already existing client relationships and develop new business opportunities in other departments. There is also a real opportunity to build the Not for Profit sector.

As this PSA is across a number of job classifications, you will join other team members on client visits and work collaboratively with others to ensure client needs are met. With your strong Account Management and relationship building skills, you will be offered the opportunity to work in a friendly team environment where you will be mentored by a supportive Manager who believes in getting the best out of people.
