

ER265 – Business Support Recruitment Consultant

- South Brisbane location
- Boutique agency
- Friendly, high energy team

Our client who is located in the beautiful heritage listed office buildings in South Brisbane requires an experienced Recruitment Consultant to join their team.

The company has been highly successful since opening in 2004; they work across a number of market sectors and are well known in the Commercial/Business Support area. The desk has been in caretaker mode for the last 2 months and has a number of passive and warm clients; the desk needs some work, the database is ready with leads, it just needs a motivated consultant to hit the phones.

The office is small, but the retention is high. On average the consultants have been with this agency for 5 years plus and when they do leave, it's to work outside of the industry or travel. They have an honest, transparent office environment with a close knit team who are professional, yet know when to have a laugh and enjoy their day.

On offer is to join a team who really cares about you and your success, a generous base salary, incentives and competitive commission structure.

If this role is of interest, please contact Kym Hammond on 0405 226 982 / kym@entiretyrec2rec.com.au or Tracey Beidham on 0409 599 303 / tracey@entiretyrec2rec.com.au
