

Engineering Recruitment Consultant – Brisbane CBD

Join one of the largest recruitment companies in the world. You will be working for a recruitment brand in the company's highest achieving division.

Our client is one of the largest and longest running recruitment companies in the world. They are a very well established company with an excellent reputation and offices all around the world.

Due to growth, they are now looking to appoint a 360° recruitment consultant to their engineering division. You will have the opportunity to work on the professional white-collar specialising in a number of high-end technical sectors. Market knowledge of the Engineering sector is essential and the company are open on background within this broad sector.

The successful candidate will join a team of similar minded, ambitious recruiters in the company's highest achieving office based in Brisbane's CBD. You will be sales orientated and will have experience in both winning business and placing candidates.

You will be rewarded with a competitive base salary with a competitive commission structure. You will be provided with some of the best training and support.

This is a solid opportunity. If this is a role that interests you, please call Tracey Beidham on 0409 599 303 or send your resume to tracey@entiretyrec2rec.com.au or Kym Hammond on 0405 226 982 or email kym@entiretyrec2rec.com.au
